Trenton, New Jersey 08625**

Dear Mr. Marcolina:

Enclosed for your review is the "Site Closure Assessment Report for Building R-9 - Abandoned Below-Ground Septic System, Naval Weapons Station Earle, Colts Neck, New Jersey." The report was prepared by our consultant, Brown & Root Environmental.

Based upon subsurface soil sample results, it is recommended that no further action be required at the Building R-9 septic system site.

Please contact Mr. Gregory Goepfert, Environmental Engineer, should you have any questions regarding this report. His telephone number is (908) 866-2515.

Sincerely,

A. L. HERMANNI

**Supervisory Environmental Engineer
By direction of
the Commanding Officer**
